

# ABOUT CHAOS

In 1923, three women recognized the need to provide fresh milk to undernourished Sewickley school children. Almost 90 years later, the charitable society they formed has allocated over \$3.7 million for children's programs and services throughout Western Pennsylvania.

The Child Health Association of Sewickley (CHAOS) remains an all-volunteer women's organization with approximately 50+ active members and a caring constituency of over 150 associate members. The members log nearly 10,000 hours a year working toward CHAOS' mission of nurturing the **WHOLE** child by supporting programs and services that directly address children's emotional, education, physical and recreational needs. Funds are raised via a myriad of fundraising projects including the Sewickley House Tour, CHAOS Golf Outing and sales of the award winning and highly acclaimed Three Rivers Cookbooks.
